

Russ Williams

16th June 2006

Dear Russ

Thank you for the wonderful performance you gave at our annual golfing awards dinner. Normally we do not book any speaker we have not seen but on this occasion you were highly recommended by our club president who had seen you three times previously.

You judged the mood and feel of the room perfectly and every member I have spoken to since has had nothing but praise for you.

Please be rest assured that you will be rebooked in the future probably for our summer ball, as I am told that you are an accomplished singer as well.

I would like to wish you every continued success.

With best wishes
