Dear Russ

Re Dinner Cup Pro-Am, Worthing 18th April 2007

Can I on behalf of The Sussex Professionals, and our Vice-Presidents say a big thank you to you for speaking at our above dinner.

The actual Pro-am was a great golfing event, the Hotel dinner and surroundings were superb, but it was your outstanding performance that certainly made our event such a success, you kept our mixed membership entertained to a very high standard, for which we once again thank you.

We will have no hesitation in recommending your performance to our many friends in the golfing world.

Yours sincerely

Cliff Pluck
County Secretary
