Dear Russ

**Re: Centenary Gentlemen's Evening - 17<sup>th</sup> October 2007**

I just had to write and thank you for a wonderful day at Waterlooville Golf Club. I am so pleased you were able to attend our Annual Gentlemen's event in our centenary year. Your appearance made it more than memorable.

Members and guests are still complimenting us on such a fantastic evening – your razor sharp repartee could not be bettered – your unique Kings and Queens is brilliant – what an amusing and entertaining way of raising funds for our charity. The evening will be long remembered for fun and laughter.

On a personal note, thank you again for your company during the day and for helping our fourball gain second prize !

Best wishes for the future.

Yours Sincerely

Tim Staple  
Club Captain
